

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

STATE OF NEW YORK, *et al.*,

Plaintiffs

v.

MICROSOFT CORPORATION,

Defendant.

Civil Action No. 98-1233 (CKK)

ORDER

Before the Court is the “Consent Motion of Defendant Microsoft Corporation to File Defendant’s Exhibit 1422A Under Seal and to Admit Defendant’s Exhibit 1422B into Evidence as the Public Redacted Version of Defendant’s Exhibit 1422.” Defendant’s Exhibit 1422A was offered to the Court as a redacted version of Defendant’s Exhibit 1422. Due to clerical error, Defendant’s Exhibit 1422A contained material that was not intended for public disclosure. Defendant now moves the Court to correct this error by offering Defendant’s Exhibit 1422B as a properly redacted version of Defendant’s Exhibit 1422. Defendant further requests that the Court place Defendant’s Exhibit 1422A under seal in order to protect the confidential information contained therein.

For the reasons set forth in Defendant’s consent motion, it is this 12th day of April, 2002, hereby

ORDERED that Defendant’s consent motion is GRANTED; and it is further

ORDERED that Defendant’s Exhibit 1422A is placed UNDER SEAL; and is further

ORDERED that Defendant's Exhibit 1422B is ADMITTED.

SO ORDERED.
